Ralph Marino, F111272
Immediate Past President

Greetings:

We wanted to let you know that the SEA Executive Board has decided not to host our annual SEA rally in 2016. With much hesitation and discussion, we decided to forgo the 2016 rally. Our reasoning was guided by P&P #3003.

After review of this P&P it was noted that:

Rallies should not be scheduled when they conflict with international conventions nor within thirty days prior to an international convention.

When an area rally would be held within thirty days or less of an international convention or large RV show in which family or commercial members would be involved, planners should take the following options into consideration:

- A. The area should not hold an area rally for the year, or
- B. The area rally dates should be changed so as not to conflict with the RV show or convention in question, or
- C. The area vice president in the affected area should consult with the Executive Director for advice as to whether such a rally should be held.

After discussions were held with the SEA Executive Board; Chris Lusk, FMCA Director of Events and Commercial Services; Charlie Adcock, National President; and Jerry Yeatts, Executive Director, it was determined that with past area rallies being close to international convention dates, it had an adverse effect on our volunteers' attendance, and members were making a decision to go to the area rally or the international convention, but not both.

The SEA area looks forward to being your host for the upcoming 93rd Family Reunion and Motorhome Showcase, March 17 through 20, 2016, in Perry, Georgia, and looks forward to hosting a great 2017 SEA Rally. We need your help with VOLUNTEERS in Perry in 2016, so get on board with volunteering right now and make plans to come! Let's have a great time in Perry, Georgia, on March 17 through 20, 2016!

Thanks,

Jim Duncan
SEA President

Charlie Adcock
National President

Jerry Yeatts
Executive Director
